

Change things & things change
for better or for worse.

~~Toe-bacco~~ & using one of the most dangerous &
least useful ecological tools for
deestressing & the tobacco
parents & alcohol consumption & ^{CEO smoking}
Same spectrum of pharmaceutical consumption without
a lick of Helistic Philosophical Natter.

Infra-training: reduced/involuted trains of thought/film/
reels of ^{reels} Reality. The use of tones/patterns/music
to disenchant/de-train peoples thoughts from matters of
Cosmic Thrival.

Thrive - Using inherent frailty & love of Godself to ^{concretify} ~~manifest change~~
& rectify individual past thus familial past, ancestral, &
finally Planetary. A book I'd love to recommend is
an empty notebook, in silent inner environment, & using
your inner muse & voice to ~~be~~ diffuse sickness like
Ah-ched & die @ noon like mystics.

Lucid spinoff show life/mind is playing Tricks on me. I'm a
cored feeler & I want to feel ALL the Pain I need to
feel & Live the most appropriate Life for my God Given Will.

New N = New information retained/renewed.

Ever felt so lucid you feel like you've lived it
ALL? But you know you were probably ~~planning~~ ^{planning}

that each peak has a crescendo. The end of the
Moon & Lycans philosophy matters for solar anti-ovinity.
